

Utah Rotorcraft Association Membership Application

URA members enjoy voting rights on motions presented at meetings, and in elections for officers; gain exclusive access to an electronic roster for contacting other members; free classified ads for aviation-related items; archives of past newsletters in PDF format; association documents such as bylaws and past meeting minutes in searchable form; video recordings of selected past meetings and webinars; and, when available, special offers and discounts offered by vendors of rotorcraft products and services.

Members in the US receive the printed version of our newsletter by mail, or may opt out and receive it electronically to preserve URA's resources. Members outside the US receive the newsletter electronically.

Dues are \$24/year, not refundable. All memberships start July 1 and end June 30 each year, and new members joining in most months other than July pay dues pro-rated to the next June 30 at \$2/month. (See below.) All applications are subject to approval by the membership of URA.
